

River View Primary & Nursery School Curriculum Intent

Subject/Area:

Geography

Rationale:

We want our children to gain confidence and practical experiences of *Geographical* knowledge, understanding and skills. Also an understanding and love of the Earth as a whole planet.

INTENT

Ambition:

We hope that pupils will build a curiosity and fascination about the world and its people that will remain with them for the rest of their lives. We want them to have an understanding of how *Geographical* features are formed. We want pupils to be able to compare different localities and recognise the impact that humans have on world *Geography*.

Concepts

All children will:

- Collect, analyse and communicate with a range of data gathered through experiences of fieldwork that deepen their understanding of geographical processes. This will happen through local geography projects.
- Interpret a range of sources of geographical information, including maps, diagrams, globes and aerial photographs.
- Communicate geographical information in a variety of ways, including through maps, numerical and quantitative skills and writing at length.
