

## Uniform Policy

### School Uniform:

Please send your child to school in suitable uniform.

From September 1st 2026 we have our new active uniform. Children can wear a green T-shirt or polo shirt, black jogging bottoms or black combats and a Green hoody or Zip hoody. This uniform can then be worn for P.E days saving having to bring in a P.E kit. Black unbranded trainers or trainer type shoes.

**Outdoor:** Fleece with logo (optional)

Shower proof coat with logo (optional)

Our aim is to develop your child's independence.

We recommend:

Elasticated waists on trousers.

Velcro fastenings on shoes.

Shoes which they can run around in - not heels.

As part of their curriculum, the children will be going outside in all types of weather. Please ensure they are dressed appropriately for our changeable weather and have warm, waterproof coats as required.

We provide aprons for messy activities, however accidents occasionally happen and we advise you to provide children with spare clothes in a named bag. If you borrow spare clothes from school, please wash and return them to school.

**PLEASE name ALL items of clothing.**

River View School uniform is available to buy with school logo
