

River View Primary and Nursery School

Governor Visit Report

Name	Isabel Dawkins
Date of Visit	11.02.2019
Focus of Visit	Governor Walk
Classes/staff visited	Ms. Auger, Ms. Mossey, Mr. Brown
Summary of activities eg observing classes, talking to staff and pupils, looking at resources, had lunch etc	Observed classes using a C.D recording of a story where afterwards they would answer questions relating to it. R.W.I. is still improving the childrens understanding of letter sounds, word sounds etc.
What I have learned as result of my visit	Guided reading is making a huge impact in my opinion. I feel the children are finding this better and easier than previous methods.
Aspects I would like clarified/questions I have	I am a avid reader and I would like to ask what - if any encouragement we can give children to read at home. and, put the i pads away.
Positive comments about the focus	I feel staff are all "to-gether" about what they are doing and what they see for the future. Team work is there. Any criticism (good or not) the results the same they do what's best for the future.
Ideas for future visits	Just to interact a little bit more with the children a look over their shoulder and ask questions about what they're doing at that moment.
Any other comments	I feel that the staff do their utmost best to bring the children to their full potential. New systems are analysed 'picked over' and improved if necessary.
