

# River View Primary and Nursery School

## Governor Visit Report

|                                                                                                                                                                                                                                                    |                                            |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------|
| Name                                                                                                                                                                                                                                               | MRS. KARIN STUBBINGTON                     |
| Date of Visit                                                                                                                                                                                                                                      | 11.2.2019                                  |
| Focus of Visit                                                                                                                                                                                                                                     | EARLY YEARS                                |
| Classes/staff visited                                                                                                                                                                                                                              | EARLY YEARS LEAD                           |
| Summary of activities eg observing classes, talking to staff and pupils, looking at resources, had lunch etc<br>SPOKE TO EARLY YEARS LEAD ABOUT THE ACTION PLAN & PROGRESS MADE.                                                                   |                                            |
| What I have learned as result of my visit<br>FACILITATING IS BETTER THAN PREVIOUSLY. ADULTS UNDERSTAND WHAT THE PRIORITIES ARE.                                                                                                                    |                                            |
| Aspects I would like clarified/questions I have<br>N/A.<br>ALL OF MY QUESTIONS WERE CLARIFIED.                                                                                                                                                     |                                            |
| Positive comments about the focus<br>NEW OUTDOOR EQUIPMENT IS BEING ORDERED TO MAKE 'OUTDOORS' MORE WOW!<br>• NEW WRITING MATERIALS<br>• NEW MATHS PEBBLES WITH ALPHABET & NUMBERS.                                                                |                                            |
| Ideas for future visits<br>HAVE A LOOK AT NEW READING SHED, WRITING SHED AND MATHS SHED. WHEN DELIVERED, LOOK AT NEW WRITING MATERIALS AND PEBBLES.                                                                                                |                                            |
| Any other comments<br>VERY IMPRESSED WITH PROGRESS. EARLY YEARS LEAD IS HAVING TRAINING - DEVELOPING EXCELLENT EARLY YEARS PROVISION. HAD 1 SESSION, 3 MORE TO ATTEND. ALSO WILL HAVE SUPPORT IN CLASSROOM IN WHICHEVER AREA SHE WANTS SUPPORT ON. |                                            |
| Signed <u>K. Stubbington</u><br>(Governor)                                                                                                                                                                                                         | Signed _____<br>(Headteacher /Coordinator) |
