

River View Primary and Nursery School

Governor Visit Report

Name	Colin Sanford
Date of Visit	08-11-18
Focus of Visit	Behaviour
Classes/staff visited	Mrs Bucknham.
Summary of activities eg observing classes, talking to staff and pupils, looking at resources, had lunch etc Reward / Sanction system for behaviour • Good to be Green - reward for remaining on Green • Yellow card - time limited warning • Red cards - 3 sanctions	
What I have learned as result of my visit • Background and day to day duties of behaviour support staff (Adam). • Impact of system, how it is applied by teaching staff and by lunchtime supervisors.	
Aspects I would like clarified/questions I have • ~~How is Adam's impact measured.~~ • How is Adam's impact measured. • How does he report on his 'activity'.	
Positive comments about the focus System of reward and sanction appears to be working. My observation of general behaviour is that there is a mutual respect shown between staff and children.	
Ideas for future visits • Spend time on playground, observe lunchtime supervisors.	
Any other comments
