

River View Primary and Nursery School

Governor Visit Report

Name	Colin Bamford
Date of Visit	08-11-2018
Focus of Visit	Maths
Classes/staff visited	Yr 4 & Yr 6.
Summary of activities eg observing classes, talking to staff and pupils, looking at resources, had lunch etc	
<u>NQT lesson</u>: Children were focussed, engaged and unaffected by strangers being in the class. I observed good use of interactive whiteboard. Children worked in a group and then in pairs. <u>Maths lead</u>. Enthusiastic, good	
What I have learned as result of my visit evidence of recognition - T.A asking good open questions, encouraging learning • I have learned about use of standardised vocabulary in Maths • How to recognise progress using touch screen. • Use of themes. Good related progress	
Aspects I would like clarified/questions I have • Do the themes used in Maths reoccur in other subjects?	
Positive comments about the focus Children's behaviour was outstanding. High level of focus observed, children on task. Children working in pairs Use of themes Use of touch screen	
Ideas for future visits	
Any other comments
