

River View Primary & Nursery School

Governor Visit Report

Name:	Katie Mousley
Date of Visit:	27th January 2020
Focus of Visit:	Reading
Classes/Staff visited	Ellie Rickett Year 5 - 1x gloves.
Summary of activities eg observing classes, talking to staff and pupils, looking at resources, had lunch etc 10 minute observation. Looked at the text. Spoke to children. Looked at books.	
What I have learned as result of my visit? - children are being exposed to challenging yet exciting texts. - children in year 5 are excited about reading.	
Positive comments about the focus: - images of book to model how to answer. - handwriting on INB as per Letterjoin. - linked vocab of question to 'skimming' - key skills reinforced.	
Aspects I would like clarified/questions I have: - Do staff look at / mark reading books? No evidence. - child sat on their own - partner work??	
Ideas for future visits Teachers to read enthusiastically when modelling - make the text come to life.	
Any other comments use of red pen to fill in correct answers.
