Please see below our end of year data for 2024 - 2025. National data is also available so that you can compare how our school has achieved against all other schools.

Thank you to the children for all the effort that they have put in to achieving these results. However, we would like to remind you that these results are a snapshot and the tests don't show the exceptional, unique and interesting children we get to spend every day with. They don't show the fabulous senses of humour, the kindness, the determination, the tenacity, the inquisitive and curious nature, the range of interests and talents - they don't show our fabulous children off to their full rounded and whole potential.

EYFS 2025 - Children achieving GLD (Good Level of Development):

Main School: 66%

2024 National: 67.7%

Phonics Screening 2025

Year 1 Main School: 92% gained 32/40 or above (pass rate)

2024 National for Year 1 Phonics: 80%

Y4 Times Tables Result 2025

School Data 2025:

48% (% of children achieving 40/40)

22.5 (the mean score)

National Data 2024:

34% (% of children achieving 40/40)

20.6 (the mean score)

Learning together to build a brighter future

KS2 Results 2023
