

River View Primary & Nursery School Curriculum Impact

Impact

At River View Primary and Nursery school, we strive for the children to have a passion for reading. We aim for engaging and purposeful lessons and provide opportunities for children to develop their reading skills across the curriculum.

Through using RWI and the reading scheme, children will become confident, fluent readers. The children will develop and use a wide range of vocabulary. We aim for the children to have a thorough understanding of what they read, which enables them to participate in discussions.

Impact of Reading

Staff Voice

'The children embrace the consistency of RWI, which allows them to make good progress.'
(Year 1 teacher)

'Using talk partners enables the children to discuss their own word knowledge and their understanding of the texts.'
(EYFS teacher)

'I enjoy using the reading scheme as we use good quality texts.'
(Year 3 teacher)

Pupil Voice

'I love reading, it just takes you into another world and it helps you relax. It can help you figure out what you should do if you've got a problem.'
(Year 4 pupil)

'I'm really good at reading, look how much I read!'
(Reception pupil)

'RWI makes me get quicker at reading.'
(Year 1 pupil)
