

Parents OPAL Play Session

Following the success of our OPAL audit where we received a Gold Award, we would now like to share our playtime experience with parents. On Thursday June 19th at 1pm, we will be hosting an OPAL parents play afternoon where we would like you to come along and have the opportunity to find out and experience a typical children's lunchtime. There will be a short talk from our OPAL mentor Bobby Beaumont and then a chance for you to experience an OPAL playtime alongside your child. Letters will come out after half term but I wanted to share the date with you as soon as it was available so you could pop it in your diaries.

Miles for Smiles Fundraising

Scarlett, one of our Year 6 pupils, is raising money for charity and will be walking 15,000 steps a day and swimming 128 lengths a week throughout June. If you would like to support her and donate then please google Scarlett Richardson fundraising for Miles for Smiles or and donate or visit—

Summer Weather

As the weather is starting to get nicer, please remember to ensure your child has a water bottle and sun hat with them (ensuring that these are named). We also recommend that you apply sunscreen to your child before they come to school.

Attendance Reward Trips

You will soon be receiving letters regarding your child's attendance reward trips. These trips are a wonderful opportunity for our students, recognising their commitment to attending school regularly.

As these trips are indeed a reward, it is important to note that there will be a cost associated with them, and pricing will be directly related to your child's attendance record.

If, for any reason, your child is unable to attend the trip or you opt not to participate, it is essential that they still come to school on that day. Please be aware that any absence without an authorised reason will be marked as unauthorised, which may affect their attendance record.
