Dear Parent/Guardian

First Aid notifications

From Monday 3rd November 2025, we will no longer be sending home paper "bump" notes with children for first aid provision they have received in school.

Office staff will now be sending all first aid notifications by email.

If your child receives first aid from a member of school staff during the school day, you will receive an email between 3pm and 3:20pm that day, giving details of the injury, location and first aid provided.

If the injury occurs after 3pm or after school, this will be sent by the member of staff in charge of the activity (ie Richer Rainbows, after school clubs, school trips etc).

We will continue to contact you by phone if the injury involves the head, and/or if the injury requires further medical attention.

Many thanks for your continued cooperation

Yours sincerely
